A SMILE

Let others cheer the winning man,  
There's one I hold worth while;  
'Tis he who does the best he can,  
Then loses with a smile.  
Beaten he is, but not to stay  
Down with the rank and file;  
That man will win some other day,  
Who loses with a smile.

"I thought we were painting the BLEACHERS!"

The Student Council this year has really tried to bring the students together and make them proud of "The New Tolt High." This has been a very successful year for the Student Council under the able leadership of Dave Andrews, President; Ernie Heide, Vice President; Patty DeBoer, Treasurer; and Peg Maneval, Secretary.

Their activities have been examples of the thought and preparation that goes into all of their work. These activities include selling Demon sweat shirts, the Carnival, a spaghetti dinner, and bettering our school by getting new vending machines, and by making the school grounds more attractive.

David Andrews, President

Ernie Heide, Vice President

To the Student Body of Tolt High School:

I will always remember this year as the time of change at Tolt High School. The change from the old Tolt to the new Tolt. The change will not come easily but I feel that we have started the ball rolling in the right direction.

Peg Maneval, Secretary

Pat DeBoer, Treasurer

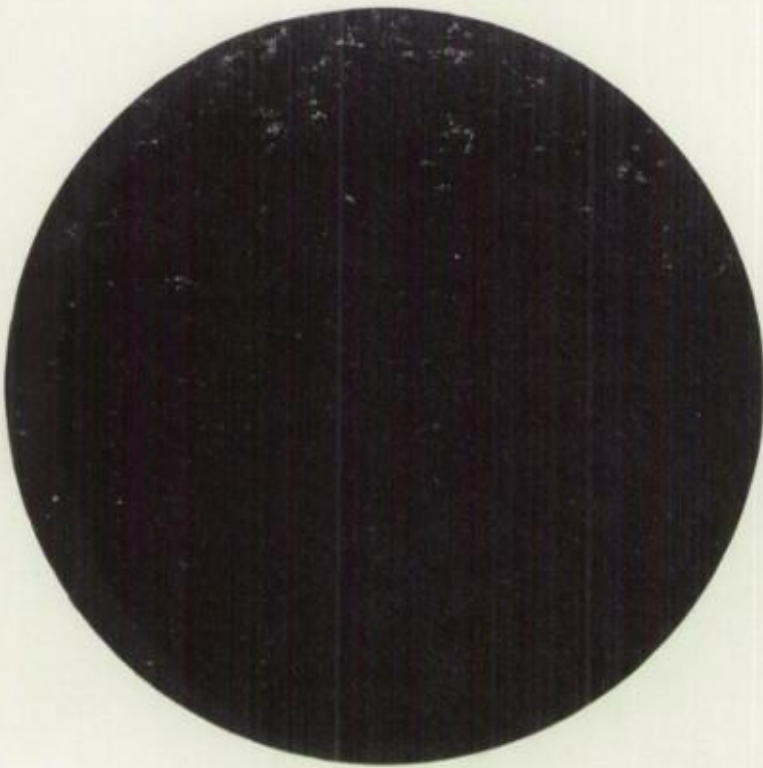

You will have new buildings, something to be proud of. So be proud! Next year will start a new era in sports too, but the teams can do very little without your help. So get out and support your school. It is only what you make it, so make it the best.

"This is my best side!"

The Junior Class - Class of '70" is one of the largest classes in Tolt High School. Painting the flagpole; the goalpost, and the vending machines were some of their projects. Plans were made to go carroling throughout the valley. This year's Juniors won the trophy for the best float in the Homecoming parade. The Juniors are a hard working class, and meet their problems head on.

Madame Budhareva: "Performance of duty very inefficient!"

Bunny Beadle: "What you need pal, is a belt in the mouth!"

Mr. Turrel: "Thank you for the pretty Sweater."

"A Pennant For the Kremlin," a three-act comedy by David Rogers, was the All School Play for this year. One of Tolt's new teachers, Mr. Turrel, directed the play. With the help of many of the teachers and also many students, the play was a great success.

This year the Girls' Club had so many members it was impossible to name them all. The girls just crowded in and hoped that they would get into the picture.

This year's Girls' Club had their own private initiation. This initiation included all of the freshmen and all of the new students of Tolt High School. It was held one night at the Tolt High gym and all the Seniors and Juniors in Girls' Club planned it.

The closer he gets, the better I look.

Photo Club members are given a chance to learn darkroom techniques. They bring their film from home or they can buy it from the school where they then develop and print them.

To get into Honor Society you must get a 3.2 accumulative grade point. The students that do this have to work very hard to maintain their good standing and are proud to be members.

The Honor Society makes two trips a year, one in the Fall and one in the Spring. This year they went to the McChord Air Force Base for their fall trip. Their spring trip usually consists of a three-day camping trip to Sun Lakes.

The activities they've had this year to earn money include selling donuts at various school plays and a car wash (in the rain.)

The students that work on the Tolt Hi-Life all agree that it is "lots of fun", but that there are many responsibilities and a great deal of hard work that come with it.

Mrs. Balenti, the new class advisor has learned as much about running a newspaper as the members of the staff.

Working on the newspaper taught them a lot about organization, how to meet deadlines, how to be concise reporters, and how to put words into ideas.

All work and no play?

"D'ya think we'll make this deadline?"

"Girls now PLEASE. Let's try it once more. This is your left side. ...."

For the first time Tolt High girls have formed a drill team. Under observation of their advisor Miss Byram and drill team captain Ruth Buchanan, long hours of practice are required to make the drill team what it is today. In addition to this each girl is also required to make her own outfit, which consists of a sharp looking orange vest and matching shorts, set off by a black turtle-neck, shoes and socks.

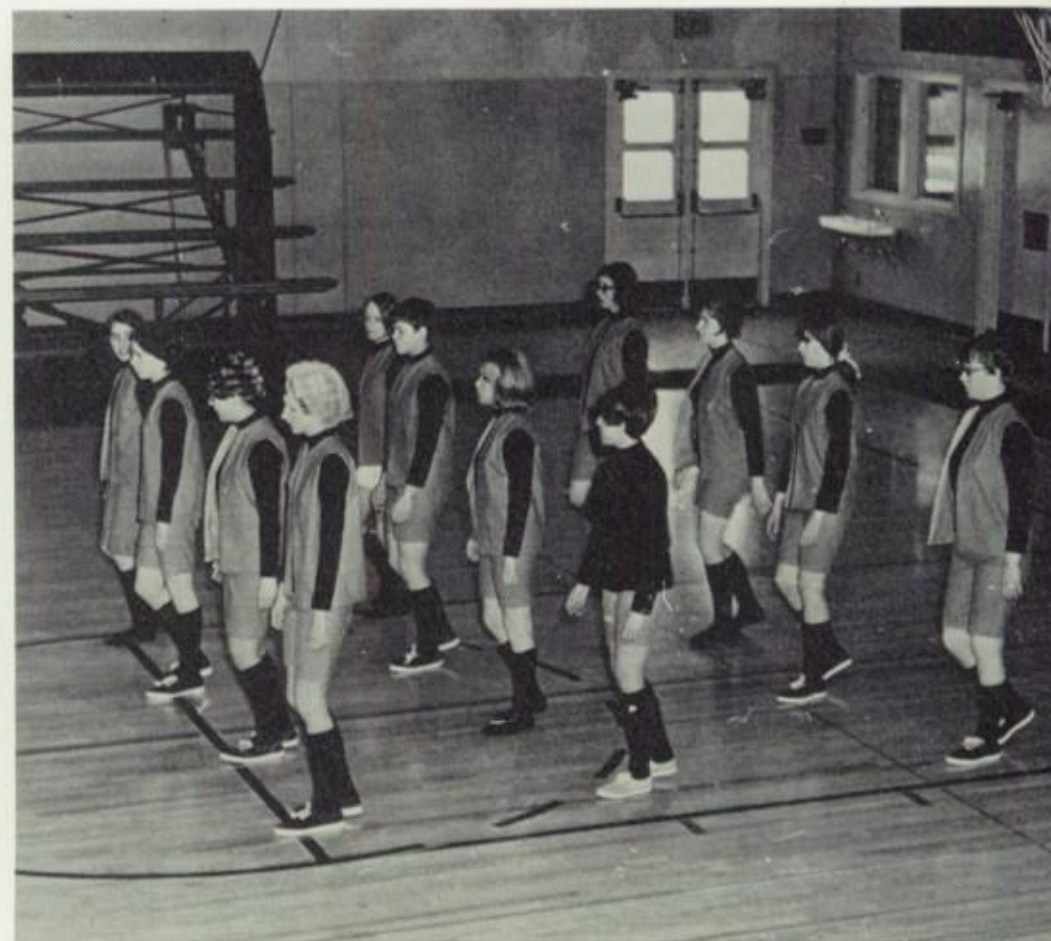

Keep in step.

## FRESHMAN FOOTBALL

This is the first year Tolt has had a Freshman Football team. They only had two football games and won both of them.

Their coach Mr. Logan says, "They will definitely make good Varsity players. Together they all worked hard and to the best of their ability."

The main players in both games were: Mike Sato, Pete Nelson, Bill Bright, Mike Giusti, Steve Foster, Greg Hamik, Lee Ducken, Rod Thompson, and Paul Wolf.

# Basket Ball Cheers

Cheri Colgate, Susan DeBoer, Laurie Ducken, Sue Engle, and Debbie Marty with their colorful outfits of orange and black, lead our school. With the help of their new advisor, Miss Byram, they've helped to bring the spirit of the "New TOLT HIGH SCHOOL" back to the games.

# Junior Varsity

Dribble! Dribble. . .

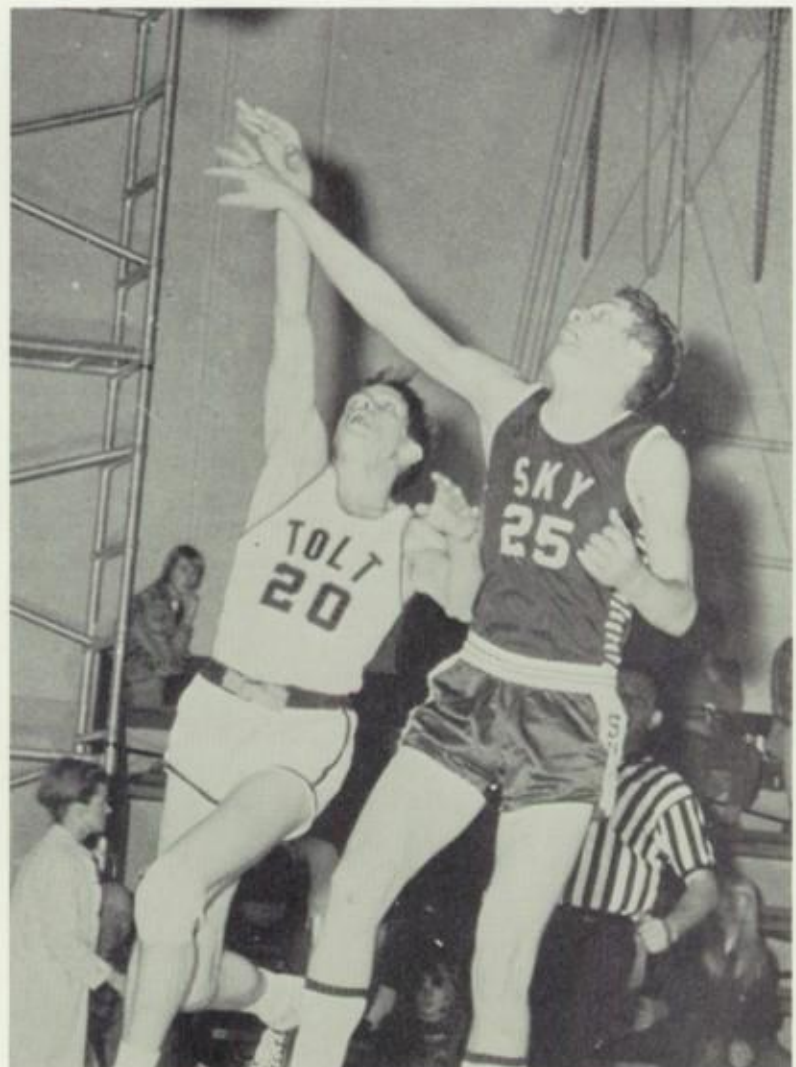

The Junior Varsity, with the help of Coach Moore, have won some keen victories. One outstanding score was 98 to 49 with Granite Falls. Their future holds many great possibilities for both Tolt and themselves.

"Come on and get in there and FIGHT!"

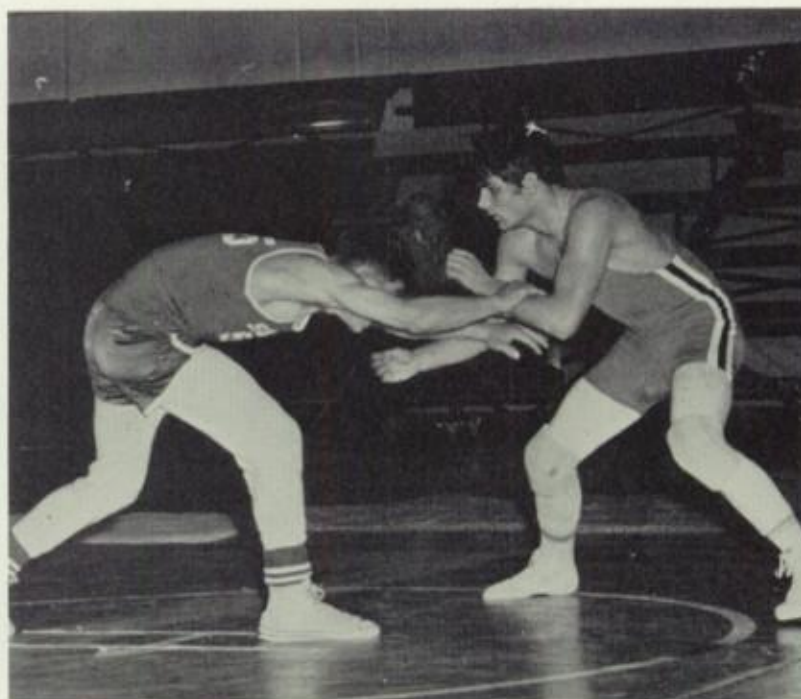

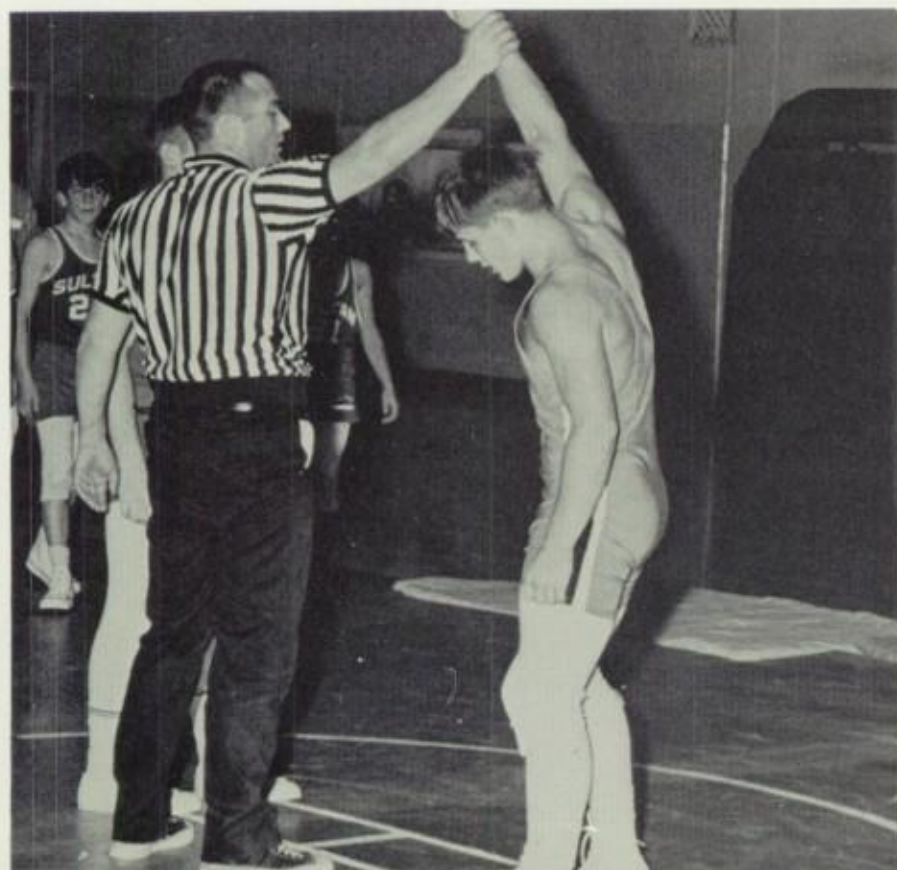

Wrestling at Tolt? This was the question asked among many of our boys. But with a little consideration and thought, the idea developed and with the help of Coach Logan, a team was formed.

Gradually, the students' disbelief gave way to pride as many of the boys won their matches. Even though our boys fought well, we lost our meets. Mr. Logan believes our losses were mostly due to lack of wrestlers in certain weight categories, which caused us to lose points.

All in all Mr. Logan is satisfied with the work of the team. He thinks wrestling has a bright future at TOLT, and hopes there is a bigger turnout next year.

"You can pin HIM!"

The Lettermen's Club is an exclusive club. Boys who have lettered during one of the Athletic seasons may join.

The purpose of the Lettermen's Club is to raise money for needed extra sports equipment. An annual Lettermen's project is the "Alumni" vs the "Harlem Clowns".

The Lettermen are the guides of the school and looked up to by all underclassmen. These boys work extra hard for their letters and deserve recognition.

# SENIOR HISTORY

There we were! We were the Frosh at the assembly the first day of school September 4, 1965. We heard a speech from Mr. VanWoert, Tolt's principal, and then we were sent to our first period classes. Remember the shortage of chairs and how we had to get some from the old building? Sue Kuntz was our class Pres., Suzanne Jones was V. Pres., Sandy Newsom was Sec. and Pat Riley was Treas. We bought canvases, to be used in school plays, for our class project. Boys' initiation was stopped that year. That was also the year that everyone so willingly picked up rocks on the football field. As for sports, Tolt went to district in basketball and we won the Spirit Trophy.

We made it through our Frosh year and came back as Sophomores really feeling like part of the school. Our class officers were Dennis Richter-Pres., Carol Gardner-V. Pres., Jodeen Harvold-Sec. and Peg Maneval-Treas. We continued our class project by building frames for the canvas flats. Other activities included selling programs at the games and buying our class rings. We all enjoyed Biology!?! Mr. McKay became our new principal...

As Juniors we painted the TOLT logs. Darrel Smith was class Pres., Dar Marty was V. Pres., Patty Miller was Sec. and Benny Ross was Treas. We had a great time selling concessions at the games. Our Junior Prom came on with a bang--it was over that fast too! There were Typing class lectures, Bookkeeping codes, and U.S. History notes and notes and notes... Mr. McKay was kept busy with firedrills at noon.

Well, we made it!! We are proud to be the first Senior class of the NEW TOLT HIGH SCHOOL, with our new principal, Mr. Satterlee. Our class officers are Larry DeBoer-Pres., Nancy Harder V. Pres., Wendy Zuiderbaan-Sec. and Diana Bidon-Treas. As Seniors, we were kept busy with many activities, which included Homecoming (the theme was "Autumn Fantasy"), helping in the A.S.B.'s project of painting the bleachers, and winning the majority of the sign contests. We also had a pizza sale and a Sadie Hawkins Day. Don't ever forget all the snow we had and the days school started late... or the flooded shop... or Contempt discussions... or the mass change of classes at the semester. Then came Spring. And with Spring came the Senior Banquet, Baccalaureate, and the GRADUATING CLASS of 1969!!!

### AMERICA THE BEAUTIFUL

O Beautiful for spacious skies,  
For amber waves of grain,  
For purple mountains majesties  
Above the fruited plain!  
America! America!  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

O Beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears!  
America! America!  
God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!
